## THE ONZF 'PLAN' TO REGAIN OUR DEMOCRACY

If you are going to protest, then you must know what you are protesting about.

Co-Governance could be stopped in its tracks if the ONZF 'Plan' below was followed, but the groups hoping to regain our Democracy, seem to have no actual "Plan" to do it or if they have, are keeping it a secret. If we are to regain our Democracy, then we must have a 'Plan' to achieve it, it will not happen on its own. We must show up the people who stole our Democracy from us and what we need to do to regain it. Please support the One New Zealand Foundation Inc. 'Plan' by suggesting it to your chosen group.

Attorney General, Hon Geoffrey Palmer made many changes to our legislation in the 1980's giving part-Maori special rights over all other New Zealand Citizens that were never intended by the Treaty of Waitangi or Queen Victoria's 1840 Royal Charter/letters Patent. Once he had achieved this, he retired from politics and went back to his law firm where he could help part-Maori with their alleged Treaty claims. When we asked him to help the ONZF on 30 January 1995, he wrote back, *"I regret this firm cannot accept the instructions in your letter. We have a professional conflict of interest since we advise a group of Maori"*. Yes, *"Advi\$\$\$\$\$e a group of part-Maori"*!

There was no mention of "Co-Governance" in the Treaty of Waitangi or Queen Victoria's 1840 Royal Charter/letters Patent, but this all changed in 2010 when Prime Minister, Hon John Key allowed Hon Pita Sharples to sign the Declaration on the Rights of Indigenous People without a mandate from

Parliament, the people of New Zealand or even a government definition of the indigenous people of New Zealand. All this for John Key to gain the Maori vote to stay in power.

I had hoped my fellow New Zealanders could see through all this 'nonsense', but no, your taxes have done such a great job of brain washing you, most of you believe it.

Don't you understand, a dozen or so part-Maori, whose ancestors were not the tangata whenua or the indigenous people of New Zealand are holding you all to ransom. About 12 New Zealand politicians who claim to have a minute trace of tangata Maori ancestry holding 5 million New Zealand Citizens to ransom. God help us if the Chinese decided to invade us!

We believe these two men, plus the dozen or so part-Maori in Parliament today were/are all "*Traitors*" and should be convicted and jailed for "*Treason*".

Please spend time reading our true history that is fully documented in the New Zealand, Australian and American Archives plus the British Parliamentary Papers, not in the minds of a few part-Maori politicians for their own gain. Unfortunately, most of our true history has been removed from New Zealand's Archives to allow our history to be distorted for the sole benefit of part-Maori. Don't believe what the Government is telling you at your expense, it is all lies when our true recorded history is known.

**Please ask your group to support this 'Plan' to regain our Democracy.**

## **THE ONZF PLAN TO REGAIN OUR DEMOCRACY**

1. **The Treaty of Waitangi.** Return the Treaty of Waitangi to the file it was placed in after it had achieved its purpose in 1840. Maori had given up their

kawanatanga/governments to Queen Victoria and in return, had "*Become British Subjects with the same rights as the people of England*". The Treaty of Waitangi is not New Zealand's Founding Document, it was to save the tangata Maori, not only from themselves, but also from the French as they had asked for in 1831. It gave the tangata Maori, "*The same rights as the people of England*". No more, no less!

2. **The Waitangi Tribunal.** Abolish the Waitangi Tribunal as it has become a corrupt breeding ground for false treaty claims being paid for by the taxpayers of New Zealand and if not part-Maori, are not allowed to lay a claim, participate, or appeal its recommendations. It completely breaches the Treaty of Waitangi and Queen Victoria's 1840 Royal Charter/Letters Patent of one flag and one law, irrespective of race, colour or creed. "*He Iwi tahi tatou – We are now one people*".
3. **The Five Principles.** Abolish Hon Geoffrey Palmer's 1987 "*Five Principles for Crown Action on the Treaty of Waitangi*", because in 1990 he admitted, "*I was wrong*", stating, "*The meaning of the Treaty of Waitangi was now unclear and vague, and that is its problem*". There was only one Principle in the Treaty of Waitangi and that was, "*He iwi tahi tatou – We are now one people*".
4. **The Partnership.** Abolish the "*Partnership between Maori and the Crown*" as there is no mention of a Partnership in the Treaty of Waitangi and "*A British Subject cannot be in partnership with the Crown*". Tangata Maori became British Subjects, "*With the same rights as the people of England*" when over 500 of their chiefs signed the Tiriti o Waitangi in 1840.
5. **The Declaration.** Withdraw from the "*United Nation's Declaration on the Rights of the Indigenous People*" as Maori were not the tangata whenua or indigenous people of New Zealand and it was signed without authority from Parliament or the People.
6. **The Royal Charter.** Recognise Queen Victoria's Royal

Charter/Letters Patent dated 16 November 1840 as our true Founding Document and first Constitution. The Royal Charter separated New Zealand from New South Wales dependency on 3 May 1841 and made New Zealand into a British Colony with a Governor and Constitution to set up our political, legal and justice system under one flag and one law, irrespective of race colour or creed.

**There is no other document in our history that comes anywhere near to a true Founding Document than Queen Victoria's Royal Charter/Letters Patent dated 16 November 1840.**

**Use it or lose it, the choice is yours.**

**Until we sort out the above, New Zealand will continue to become a third world country known as Aotearoa. Wake up – we are one – New Zealanders.**
