Why Allan Titford Was Jailed For Twenty Four Years - The True Story -

Information never before released to the public. Examples:

Emails from Susan Titford:

"For instance, if he (Allan Titford) was in jail would I be able to get control of the Trust back or would he still hold the title of Trustee"?

"I lied to you at dinner, but can't take it any more.....If you no longer want to know me for not telling the truth the other night, please tell me".

"The hold up now is the Crown have taken over so they will look into it change charges, either throw some out, add new ones or whatever they think is right"..

And I think that when they (The Crown) go to get him (Allan Titford) they are going to get him for as much as they can".

Letter from Allan Titford's daughter Ulanda Titford:

"I want to see my dad more than anything. It hurts me not being able to spend time with him.....I just want my dad back.... I miss him and love him..... "And all the stuff we had to write and say about dad. I didn't understand any of it. I tried to ask about it but I got told just to do it.....No one would explain nothing to me".

Email from Allan Titford:

"After 20 years I stick by what I have said, the facts and evidence has never changed, obviously Sue must be lying to you as these attacks are happening on all fronts now. Unfortunately now nothing surprises me".
